

# Canine Calming

High quality nutritional support for anxious dogs

## WHY DOES YOUR PET NEED THIS SUPPLEMENT?

Some dogs are more prone to anxiety than others, and this can be a cause of distress for both the pet and its caring owner. Whether your dog suffers from separation anxiety, loud noises or other stressful situations, Canine Calming provides gentle, natural support to help maintain a calm and peaceful state of mind.

**Canine Calming** provides a chewable chicken flavour supplement to support dogs who suffer from anxiety and hyper activity. Canine Calming is a specially formulated blend of natural ingredients known to help support a calm and wellbeing. Perfect for dogs that suffer from separation anxiety, loud noises (*e.g. thunderstorms, fireworks etc.*), *socialising, hyperactivity, excessive aggression and other stressful situations.*
