

# SILVER SHIELD

## CLEANSE AND PROTECT

Cleanse and protect with Silver Shield. Scientific research is demonstrating that this form of silver has remarkable effects on a wide range of surface organisms. Research indicates that Colloidal Silver deactivates the enzymes responsible for the metabolism and multiplication of bacteria, fungi and viruses.

### SILVER SHIELD LIQUID

Nature's Sunshine's Silver Shield™ with Aqua Sol technology, is a potent germ barrier and surface cleanser. When used as a water purifier, its fine particle size colloids ensure maximum efficiency in a safe and effective product that is completely non-toxic. Just one teaspoon (5ml) provides a full 100mcg (20ppm) of pure silver, without heavy metal contamination. Silver Shield™ is tasteless and odourless.

#### Measuring Facts:

1 teaspoon (5ml). Teaspoons per container: Approx. 24.

Amount Per 5ml serving: Deionised water, Silver (colloidal and ionic) 100 mcg.

**Water Purification:** Mix 5 ml (1 teaspoonful) in up to one litre of water\* three times daily.
