

SOLSTIC SLIM

TO SUPPORT ANY WEIGHT MANAGEMENT PROGRAMME

Solstic Slim is a great tasting drink mix formulated to support any weight management programme, by helping to manage cravings, and reducing fluctuations in blood sugar that can occur because of unhealthy snacking.

CREATED BY EXPERTS – DESIGNED FOR YOU!

And for those that need a helping hand, Solstic Slim has been specially created by experts, to help you towards your target weight, with four key ingredients, each chosen for their unique benefits, that have been formulated in a way that maximises their potency. Solstic Slim's special formula includes Green Coffee Bean extract, which contains chlorogenic acid, a well-known ingredient in weight management. Grape Skin Extract, which contains resveratrol, known for its antioxidant activity. Yerba Maté to help promote feelings of fullness, and Green Tea extract.

NO FADS OR GIMMICKS AND NO SYNTHETICS.

DESIGNED TO BE TAKEN ALONGSIDE A NORMAL HEALTHY DIET.
