

SUNSHINE CONCENTRATE

TOUGH ON GRIME – GENTLE ON THE ENVIRONMENT

Sunshine Concentrate's cleansing agents cut through the toughest grease, grime and baked-on foods to leave your dishes and your kitchen sparkling with a smear-free finish. And because it is low in suds you can even add a squirt to your dishwasher to leave cutlery and glasses sparkling clean.

Sunshine Concentrate also works wonders on problematic odour in lunch boxes, drinking bottles, thermos flasks and other plastic containers. It is completely safe for use in refrigerators, and can be used on wood and tile surfaces, windows, walls, floors, fine china, everyday dishware, and pots and pans. Save money, one bottle equals 200 gallons of window cleaner or 64 gallons of your average household cleaner.

ENDLESS LIST OF CLEANING POSSIBILITIES

There is an endless list of possible uses, cleaning appliances, sinks, walls, floors, dishes, pots and pans. Works in automatic dishwashers. Laundry-pre-spot stains, spots, grimy collars, and cuffs. Pre-soak nappies. Hand wash silks, fine woollens, sweaters, and other delicate fabrics in cool or cold water. Safe for lawns, gardens, house plants and farming as it is an excellent insect repellent. Prevents mineral build up in irons and humidifiers and repels dust. It even works as a shampoo or hand soap.

SAFE FOR THE ENVIRONMENT AND THE WHOLE FAMILY

This all-purpose, concentrated cleaner is tough on dirt, grease, and grime, yet it won't harm the environment or your family because it contains no phosphates, borates or acids. This formula is safe for people, animals, plants and our environment. It's biodegradable cleaning and sudsing agents break down easily, helping to prevent foaming. It's also non-polluting, and non-flammable.

Many soaps may have a pH of 8 or higher, which means they can be harmful to those who have sensitive skin. But with a pH of 6.5, Sunshine Concentrate is gentle on any skin type, making it the ideal cleaning product for a multitude of jobs around the home.

INGREDIENTS

Purified water, nonylphenol ethoxalate, diazolidinyl, urea, fragrance, methylparaben, propylparaben, tetrasodium EDTA.
