DEFINE BODY BALM with CoQ10

Description

Lily & Loaf's Define Body Balm with CoQ10 leaves your skin feeling fresh firm and hydrated and helps defy the signs of aging.

Natural CoQ10 production declines with age. This affects the body's ability to produce collagen resulting in the loss of elastin which makes skin appear wrinkled and saggy.

This luxurious balm contains CoQ10 to prevent signs of aging, along with apricot, coconut and olive oil, and is fragranced with Lily & Loaf Geranium and Bergamot organic essential oils bringing you a delightful all-over spa sensation.

Directions for use

Apply all over the body from head to toe. Use daily to enjoy fresh, fragrant, body firming hydration. Apply more frequently where needed to leave skin feeling silky smooth and soft.

Avoid contact with the eyes. In case of contact, rinse well with warm water.
