LUSTRE RENEWING GEL

Description

Lily & Loaf's Lustre Renewing Gel is specially formulated with natural ingredients to brighten skin and target uneven skin tone for a bright and beautiful complexion.

This unique formula contains AHA fruit acids which can help to reduce hyperpigmentation caused by acne scarring and can help to inhibit melanin formation, to combat discolorations that darken your natural skin tone. AHAs are alpha hydroxy acids which occur naturally in fruits. Unlike harsh facial scrubs, they help to loosen and dissolve dead skin cells, resulting in gentle yet effective exfoliation.

A luxurious lightweight Gel that contains ingredients designed to target areas of imperfection, fragranced with natural, Organic Fennel and Mandarin oil.

Directions for use

Apply one to two pumps of gel onto clean dry skin avoiding the eye area. Gently massage the gel into your face, neck and décolletage until absorbed. Wait approximately 10 minutes before completing your skin routine with moisturiser.

Use AHA Radiance Gel two to three times per week for best results. Once a week may be enough for sensitive skin.

Avoid contact with the eyes. In case of contact, rinse well with warm water.
