REVITALISE MUD MASK

Description

Lily & Loaf's Revitalise Mud Mask with CoQ10 contains a superb combination of natural ingredients to help reduce the appearance of wrinkles and give your skin a fresher, more youthful appearance.

The special formula includes Dead Sea mud - high in natural minerals to detoxify and revitalise your skin - and CoQ10 which your skin needs to produce collagen and maintain elasticity for a fresher, firmer complexion.

Anti-aging antioxidant vitamins A and C naturally protect the skins structure, and the delightful combination of fruit oils provide natural protection and support for a beautiful, fresh, natural complexion.

Directions for use

Apply to clean, dry skin by spreading an even layer over the face and neck taking care to avoid the delicate eye area. Relax for 10-15 minutes allowing the natural ingredients in the mask to benefit the skin, then rinse and pat dry. For best results use once or twice per week.

Avoid contact with the eyes. In case of contact, rinse well with warm water.
